## SOFT ROCK

'Lapis' bed, by Anton Cristell and Emanuel Gargano, for Amura

'LAPIS' BED, €2,860, BY EMANUEL GARGANO & ANTON CRISTELL, FOR AMURA, AMURALAB.COM. BEDDING, FROM A SELECTION, BY TEKLA, TEKLAFABRICS.COM

Inspired by the cobblestones of ancient Roman roads and named after the Latin for stone, Emanuel Gargano and Anton Cristell's 'Lapis' bed, for southern Italian brand Amura, is paving the way for our latest dream bedroom. Thankfully, its geometric elements are not made of actual rock but a soft memory foam that can

be upholstered in either fabric or leather, in a choice of subdued colours. Its plush asymmetric headboard looks best combined with other pieces from the same collection (particularly the black marble side tables), which all feature the same curved corners and smooth finish. Definitely one to help you sleep like a rock. ★
