ITA

La forte personalità delle sedute Brooklyn nasce dall'incontro tra materiali estremamente innovativi nel mondo dell'imbottito e linee suggestivamente retrò che evocano le poltroncine dei vecchi cinema o dei teatri Off-Broadway. A sorreggere la struttura è un telaio interamente in alluminio laccato caratterizzato da sottili piedini che le conferiscono un'elegante leggerezza; di grande impatto sono quindi le scocche in cuoio, pelle o tessuto, sia laterali sia posteriori, dalle linee leggermente arrotondate che ospitano cuscini rivestiti in tessuto o pelle, morbidissimi, avvolgenti. Il risultato è un sistema di sedute votato al comfort dal design emozionante.

ENG

The strong personality of the BROOKLYN seats, is born out of the meeting between extremely innovative materials in the upholstery world, and retro lines that hint at the seats of old cinemas and Off-Broadway theatres. The structure lays on an lacquered aluminium subframe that features slender legs, living it an elegant lightness; the cuoio, leather or fabric frames are then of great impact, both on the side and back of the sofa, with their lightly rounded shapes housing the cushions in leather or fabric, themselves extremely soft, enveloping. The result is a seating system devoted to comfort and emotional design.
